APPALACHIAN BEAR RESCUE

FRONT DESK

Join us and learn all about the black bears that make the Smoky Mountains their home. *Complimentary*

BIRD WATCHING

MOUNTAIN TOP PAVILION

The Great Smoky Mountains are a paradise for bird watchers with over 200 species of birds spotted within its borders. Join us and see how many species you can spot. *Complimentary*

KIDS LUMBERJACK RELAY

MOUNTAIN TOP PAVILION

The logging industry had a dramatic impact on the Smoky Mountains. Kids can participate in a lumberjack relay race and discover how it turned the area into what it is today. *Complimentary*

MOUNTAIN TOYS

ZIPLINE HUT

Early settlers did not have TV and video games to entertain themselves. Instead, they used common items around their homes to create toys and games. Make your own mountain toy like the settlers did back in the day. *\$1 to \$4*

NATIVE AMERICAN COURSE

MOUNTAIN TOP PAVILION

Native Americans are often misrepresented on TV. Learn what the culture was truly like for the Cherokee Indians and how it differs from your current perception. *\$4*

SMOKY MOUNTAIN TRIVIA

MOUNTAIN TOP PAVILION

How well do you know Smoky Mountain history and its culture? Test your Smoky Mountain knowledge with our jeopardy style trivia game. *Complimentary*

SOAP CARVING

MOUNTAIN TOP PAVILION

Soap carving is a fun and easy way to create sculptures from a bar of soap, as opposed to wood carving, which is more dangerous and should only be done by skilled individuals. We encourage all ages to enjoy carving creations from soap and be a whittler from yesteryear. Come join us and personalize a bar of soap by carving a nature design. *\$1 per bar of soap*

STORYTELLING

MOUNTAIN TOP PAVILION

Listen to remarkable stories of the people who have lived in the Smokies before it became the bustling tourist town that we know today. These stories were collected over the years and give great insight to what life in the Smoky Mountains was like many years ago. *Complimentary*

SURVIVAL BASICS COURSE

MOUNTAIN TOP PAVILION

If you were lost in the woods, would you be able to survive? Try out some basic survival skills like making a shelter, starting a fire, purifying water and determining which plants are safe to eat. Learning basic wilderness survival skills isn't about the likelihood that you will have to use them, it's about exploring concepts that give self-confidence and knowledge to use in future decision making. Come enjoy these hands-on wilderness survival concepts. *\$2*
