

# Before You Travel Checklist

## Don't forget these items!

### Identification

It's time to double-check those IDs. Make sure both of you have the necessary documents with matching addresses. It'll make for a smooth process!

01

### Other Forms of ID

Don't have matching IDs? No sweat! We're flexible. Just show us some utility bills (electric, gas, or water), car registration, marriage license or certificate, homeowner or rental insurance, or even car and health insurance. You've got options!

02

### Spouse OR Partner

Your partner must tag along for the resort preview. After all, what's an adventure without your plus one?

03

### Debit OR Credit Card

Don't leave without the card that made your vacation dreams come true. Grab that trusty debit or credit card you used to book your trip. We just want to keep things secure, you know?

04

### Kids?

The little adventurers! Fear not, they're in for a blast. Bring those kiddos along, and we promise they won't have a dull moment. We'll make sure everyone enjoys a scrumptious breakfast or lunch together.

05

### Tickets?

Ask us about the variety of theme park and attraction tickets we offer our guests! If you're vacationing in Orlando, our partners at [Kissimmee Guest Services](#) will hook you up with the best deals in town. No matter your destination, we've got you covered!
